Find the Right Aggregator

Canonical: https://directory.redrock.com.au/entry-pathways/find-the-right-aggregator/

Description:

Find the Right Aggregator. Explore Redrock's independent aggregation models, technology, lender access and broker support.

Details:

Build your broking business with flexible commission models, technology, training and support while retaining ownership of your brand, business and client relationships.

Compare the support behind the split

Redrock is an independent Australian mortgage and finance aggregator. Compare its four commission models — New Entrant, Advantage, Prime and Maximiser — against the needs of your business, including technology, compliance, lender access, mentoring and ongoing fees.

- Compare commission models
- Explore technology and broker support
- Understand the initial investment

Call **1300 667 694** to discuss the arrangement that fits your experience and business goals.
